## **Terms and Conditions of Boarding:**

### Payment

Payment in full will need to be made on or prior to arrival. We will no longer be accepting payment on departure unless a booking has been extended during the stay by agreement.

If you wish to collect your dog early, no refund will be offered unless agreed in exceptional circumstances.

### Vaccinations

Proof of vaccination (annual boosters or puppy vaccinations if under 1 year in age) must be supplied before or on arrival for each visit. If proof of vaccination cannot be provided then we reserve the right to cancel your booking.

It is preferred and recommended that dogs are vaccinated annually against Kennel Cough. If vaccinating your dog against Kennel Cough, this must be administered at least 2 weeks prior to arrival. We do not accept responsibility for animals in our care contracting Kennel Cough.

### Boarding

Whilst every care is taken, all animals are boarded entirely at owner's risk. In the event of your animal becoming unwell or needing medical care, Country Kennels (West Moors) Ltd is authorised, in an emergency, to consult our own vet. In non-emergencies, we will consult your vet. Any bill resulting from treatment will be settled by yourselves with your vet.

Personal items brought to Country Kennels are left at our premises at the owner's risk.
